Capital Premium Financing exclusively endorsed by KAIA and ASCK

Draper, UT – January 1, 2010 – The Kansas Association of Insurance Agents (KAIA) and the Agency Services Corporation of Kansas (ASCK) have named Capital Premium Financing, Inc. as the exclusively endorsed provider of premium financing services for their association of more than 550 independent agencies.

Capital was selected from among a field of the leading providers of premium financing, and chosen for its dedication to customer service, ease-of-use products, and its specialty agency programs.

Capital Premium Financing, Inc. is a nationwide specialty lender that provides financing for certain types of insurance premiums paid by commercial enterprises. Capital has built an excellent brand name and reputation for service and product innovation, and is recognized as a leader in service and trusted partner in the premium finance loan industry.
