## 2010 Company Person of the Year — Garn Kemp & Dawn Irwin

Each year PIA members benefit from the contributions of time, money and expertise that come from our insurance company partners. In recognition of those contributions, the PIA honors one individual whose active involvement with PIA helps drive their company to support our efforts with our members.

The 2010 award was given to Garn Kemp and Dawn Irwin of Capital Premium Financing.

We had a bit of fun with the award. Garn knew it was a dual award and was called to the podium to give the award to Dawn. He didn't know he was the other recipient. It took Garn a minute or so to figure out that David Babbitt was talking about him.

A speechless Garn then gave Dawn her award. But Dawn had a family emergency and wasn't at the ceremony.

Garn's boss calls him the perfect employee. His coworkers love him. You, the members of the PIA that do business with him also love him. That's because he's service-oriented and always has the best of everybody in mind.

And he's low-key about it.

In giving the award to Dawn, Garn called her, “a perfect mix of brains and beauty and one of the most enthusiastic, optimistic and upbeat individuals on the planet.”

Dawn’s optimism is contagious. She loves everyone and openly shares that love. PIA members and those of you that have done business with her know that you never see her without a huge smile on her face. Dawn Irwin has a gift of making everyone she comes in contact with feel like they are the most important person in the world.
